Fresh to the market is this stunning four bedroom home in Taylor. Suited to downsizers, investors and first home buyers this family home has it all.

From your very first glance you will instantly know that this home is built to impress. Tall ceilings, sun-drenched rooms and large living spaces all accentuate the living spaces making this home a joy to live in.

Each of the four bedrooms are a great size, and have built-in robes except the master bedroom which features a walk in robe and ensuite. Both bathrooms have floor to ceiling marble tiles and the ensuite has 'his and hers' basins.

The two living areas are large and extremely stylish. The open plan kitchen flows effortlessly through into the dining
