Stunning townhouse located in the heart of Tuggeranong, right by the lake. Well looked after and recently updated with a couple of final touches to make this home truly special. Features include a new electric fireplace heater, feature pendant lighting in the kitchen and painting touch ups throughout. As you enter through the front door you will be impressed by the ceiling heights of 2.7 meters and a master chef kitchen with high quality German made' appliances and externally ducted range hood.

Upstairs features two segregated bedrooms, the main bedroom includes full height sliding doors (Juliet balcony), ceiling fan and ensuite with floor to ceiling tiling. Externally, provides dual terraces soaking in the North Westerly sun.

When required, the townhouse has reverse cycle air conditioning to the living room to keep you comfortable.
