5 Gibbes Place Weetangera ACT

4 2 2

Why You Want To Live Here.

Set in a peaceful cul-de-sac, behind a landscaped front garden, this versatile 4 bedroom, 2 bathroom home is ripe for renewal. If you are looking for a fully renovated home in an established, leafy suburb, then this could be the address you have been looking for.

Full of light, the charming home features open-plan living and dining areas. It is filled with natural light, large windows and overlooking the front garden. The updated open kitchen features stainless-steel appliances, gas cook top, plenty of cupboard space and stone bench tops. From here on, you will be led to the impeccable covered outdoor entertaining area with an elevated timber deck for those hot summer days when you're outside with the family. The
